PRACTICE FIRING: Sunday's match fees do not include range time for individuals wishing to practice before the match. Experienced individuals not participating in the Beginner's Clinic wishing to practice at 200-yards Saturday afternoon will pay a \$25.00 fee.

CLASSIFICATION/CATEGORIES: CMP/NRA High Power Classification will not be used. Each competitor will be placed in a special category of Military/Police/EMS (Includes Reserve & National Guard), Civilian, Women, Senior (60 years old or older) or Junior (20 years old or younger). To be defined as a "Junior team", all four team competitors must be juniors. Secondary categories will be assigned to those permissible.

AWARDS: Awards will be given to overall Match Winner, Top Team and Top Junior team based on aggregate high score. Special individual awards will be given to High Military/Police/EMS, Junior, Woman, and Senior. Lesser awards may be announced. Teams or individuals will win only one (1) award in the order of assigned categories. Any team having less than four (4) shooters will not be eligible for team awards and members may compete for individual awards only.

CHALLENGE PERIOD: The challenge period ends ½ hour after the posting of the match results.

RESULTS BULLETINS: Result bulletins will only be mailed to those people requesting them. The match results will be posted on the ASRPA junior high power team and/or Washington's Birthday match website(s).

EQUIPMENT: NRA/CMP authorized service rifle sling, glove, coat, mat and equipment may be used. **Eye and ear protection is required. No muzzlebrakes are allowed.** No sandbags or bipods permitted. It is recommended to bring a hat, sunscreen, and a range bag, backpack, water and lunchbox for use while on the line or in the pits. Drinking water may or may not be available on the range or target pits. Bring your own food and water just in case.

AUTHORIZED ARMS: Shooters may use a NRA/CMP Service Rifle or any military, military-surplus or military-stylerrifle in as-issued condition, NRA/CMP Match Rifle, or other rifle approved by the match director. Optical sights are permitted on modern semi-auto rifles. No muzzle breaks allowed.

AMMUNITION: Competitors must furnish their own safe ammunition provided they have the following characteristics. Ammunition may be commercially manufactured or handloads. The projectile will have an 8mm caliber maximum. There will be no restrictions placed on bullet weight or muzzle velocity. No tracer or incendiary ammunition is permitted. ASRPA will have a limited supply of 223 Remington ammunition for purchase to use during the match.

RIFLE SAFETY: Rifles to be pointed downrange at the impact area when loading and when closing the bolt. An approved NRA empty chamber indicator (ECI) is required to be used at all times except during the preparation period and when firing your relay. Those not having an ECI may purchase one at the stats office for \$1.00 each.

SQUADDING: All matches will be squadded on the line. Squadding tickets will be issued by the stats office approximately 45 minutes before match start times. A competitor who fails to obtain his/her squadding ticket prior to the safety briefing announcement will only be squadded to fill vacancies. ASRPA Membership cards must be shown before squadding tickets will be issued or a \$5.00 membership match fee will be charged.

TARGET SERVICE: Each team will provide one competitor to service the target (relay 3 or 4 pulls target for relays 1 & 2) unless prior approval has been given by the match director (for ADA purposes only). Competitors not performing their target duties will be disqualified as the match cannot continue without adequate target service. Please contact the match director if interested. **This year 10 electronic targets are planned to be available for an additional cost of \$40/team. Ensure that all team rifles are sighted in as any equipment that is damaged is the responsibility of the team to repair/replace. Please order the electronic target via the website and then contact the match director for further information.**

SCORING: Each team will provide one competitor to be a score keeper to another team (relay 1 or 2 scores for relays 3 & 4) unless using electronic targets. Each competitor shall record individual shots and a total score for each stage, combining all stages for an aggregate individual match score. Each team shall record individual scores for each team member, combining all scores for an aggregate team match score. Competitors not performing their scoring duties will be disqualified.

COURSE OF FIRE: A modified 50-shot National Match Course in a 4-man team, all fired at 200-yards. The match will start with 3-sighting-shots from any position. **All stages will be fired on the SR target.** Stage 1: Slow fire, 10-shots standing, Time: 29-min. block time for 2 shooters, at 200-yds.
